Reference is made to the abovementioned application and the Decision Notice dated 20 March 2013. Council is in receipt of your request dated 16 November 2020 to extend the currency period of this approval from 19 June 2021 to 19 June 2025.

I wish to advise that the application was assessed under Delegated Authority on 14 December 2020 and the extension of currency was approved.

Please note due to the recent amendment to the *Planning Act 2016* and declared Applicable Event by the Minister, a provision has permitted a six-month extension to all active development approvals and compliance permits. As such, the currency of this approval now lapses on 19 December 2025.
